Participation

Africa 44 - Asia 105 - Australia & Oceania 35 - Europe 261 - North America 226 - South America 34

- Provide a reservoir of specialists globally and regionally
- Contribute to scientific updates and policy actions
- Ensure all aspects of soil biodiversity and ecosystem services are addressed

A SCIENTIFIC EFFORT

 The Atlas will present current scientific knowledge in a format accessible to the general public, policy makers and scientists.

Coming Soon!
